Brough Golf Club

A warm welcome awaits all visitors to Brough Golf Club, an attractive and challenging Inland Parkland Course located in the East Riding of Yorkshire. The mature nature of the course reflects its historical roots. The Club was founded in 1891 but officially recognised by the R & A in 1893 and so celebrated its Centenary in 1993. The on course facilities are complemented by the finest in house amenities including a magnificent Clubhouse with first class catering run by an enthusiastic and welcoming team.

A post war brochure speaks of the “good golfing qualities of the course... of its superb Clubhouse... and of being greeted with the friendliness, courtesy and first class service of the staff”. This is still true today.

Tee Signs

Brough Golf Club will install Tee signs for each of the Teeing Grounds on the golf course. These 'information boards' are an ideal opportunity to brand an area and make it your own.

Positioned on the hole to allow easy reading, these very stylish signs are a subtle and effective way of portraying your brands or services.

Prices start from £800 + VAT per year and are based on a minimum of two years. You will be able to choose your own artwork and your company name will be displayed exclusively on that hole for the period of the contract.

All sponsors receive one four ball voucher per month throughout the period of the agreement.

This opportunity is being offered on a first come first served basis. For further information and to learn of other added benefits to sponsoring a tee please contact Matthew Staveley, General Manager, on 01482 667291.
